9. [] I asked [] if he would check to see if he had any way of identifying information on the two brothers [] who, according to Jay Sourwin, were operating an international racket in Rome. (See Journal of 8 May.) [] said he would check on this.

5. (Unclassified - GLC) Again called William Cannon, Bureau of the Budget, in an effort to get the Bureau's approval of Mr. McCone's letter to the House Post Office and Civil Service Committee concerning the Federal Salary Reform Act of 1962. Cannon said their personnel people were procrastinating on this for some reason but he would attempt to get us an answer as soon as possible.

6. (Internal Use Only - JGO) Advised by Lt. Colonel Jack Reiter, Air Force Legislative Liaison, that informal concurrence had once again been obtained from Army and Navy components as requested by DOD to the submission of the Speaker letter and DOD letter to the Bureau of the Budget which this office had assisted in preparing about one year ago. As no problem is anticipated at BOB, the amendments to the Missing Persons Act which we have suggested may at long last be going forward to the Congress from DOD.
